It sits on the fringe of the highly desirable rural hamlet of Timbersbrook, close to the base of the iconic Bosley Cloud; a prominent hill situated within Cheshire's Peak District on the border between Cheshire and Staffordshire. It is 343 metres (1,125 ft) in height making it one of the highest hills in the area and one of the best places to see spectacular views of Cheshire. Feel on top of the world after a little hard work walking up hill onto the summit of Bosley Cloud. You can see this outcrop from miles around and from the top you can see across the whole of the Cheshire Plain and along the gritstone ridge of Cheshire's Peak District.
