Don't judge a book by it's cover. Externally this is an unassuming detached bungalow, however, internally, it is amazing and much larger than expected and presented in an up to date layout and extending to approximately 113 m² (1216 ft²)

Viewing is imperative to appreciate this home which is situated on Park Lane, a much sought after area being within a short walking distance of the town centre and also the shops at High Town and Congleton railway station.

Over the last few years the property has been updated to provide a home which will require very little expenditure in the future.

The bungalow is set well back off the main road with a pleasant private south facing rear garden and gate leading on to the park.

On entering the property the central hallway allows access to the majority of the rooms with two large bedrooms to the front and wet room and towards to the rear is a third bedroom with ensuite, a lounge/dining room measuring 19'7", fitted kitchen with room for a table and chairs which then leads on to the utility room with door to garage.

This is one not to be missed! Book that viewing today!
