## Rules on letting this property

Properties can be let if they have an energy rating from A to E.

You can read [guidance for landlords on the regulations and exemptions](https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standards-guidance) (<https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standards-guidance>).

## Energy rating and score

This property's energy rating is D. It has the potential to be C.

[See how to improve this property's energy efficiency.](#)

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

the average energy rating is D  
the average energy score is 60

Offers in the Region Of £435,000

FOR SALE BY PRIVATE TREATY (Subject to contract)

Eco-Chic Lakeside Living with Versatile Space.

Discover a Deceptively Spacious Four-Bedroom Stone Home – A Harmonious Blend of Period Charm, Eco-Conscious Living, and Unrivalled Proximity to Rudyard Lake (less than 10 minutes walk). Offered with No Onward Chain!

Nestled moments from the tranquil beauty of Rudyard Lake, this impressive semi-detached stone property offers an exceptional lifestyle opportunity. Step inside to explore a remarkably versatile layout, thoughtfully designed to cater to family needs and boasting an array of sustainable features that significantly contribute to low running costs and a greener footprint.

Inside Your Versatile Home:

The ground floor unfolds with a welcoming porch and hallway, leading to a traditional kitchen, a comfortable sitting room, and a dedicated dining room – perfect for family gatherings. A convenient side porch leads to a multi-functional reception/utility room, which provides access to a laundry area and, uniquely, a separate staircase to the fourth bedroom, offering ideal flexibility for a home office, guest suite, or independent teen space. A practical dry cellar provides additional storage.

The home's warmth is primarily generated by a charming Rayburn range cooker, which also provides hot water and cooking capabilities, complemented by a reliable Vaillant gas-fired combi boiler for backup heating.

Sustainable Serenity & Outdoor Appeal:

This property truly shines with its commitment to environmentally friendly living. Featuring solar panels for electricity, a solar thermal panel for hot water, rainwater harvesting tanks with a pressure-sensitive pump, and underfloor insulation, this home is designed for efficiency and sustainability.

Externally, a practical concrete driveway and detached garage provide ample parking for 3 cars and storage. There are a range of useful outbuildings: workshop, log store, garage, potting shed and mini greenhouse. To the rear, are privately enclosed established tiered garden, offered with lawns, decked terrace seating areas all bound with secure fence boundary, offering a peaceful outdoor retreat.

Experience the Lifestyle:

A viewing is highly recommended to truly appreciate the incredible location, the expansive and adaptable living space, and the cutting-edge environmentally friendly systems that make this home a rare find. Embrace a lifestyle where natural beauty meets modern sustainability.
