

Holding Deposit (per tenancy) – One week's rent

This is to reserve the property. Please Note: This will be withheld if any relevant person (including any guarantor(s)) withdraw from the tenancy, fail a Right-To-Rent check, provide materially significant false or misleading information, or fail to sign their tenancy agreement (and/or Deed of Guarantee) within 15 calendar days (or other Deadline for Agreement as mutually agreed in writing). The holding deposit is required while we carry our preliminary checks and obtain employer's reference and credit reference. If the checks and references are satisfactory, no later than on the day the Tenancy Agreement is to be signed, we require the following:-

- One month's rent in advance in **cleared funds** (less the amount of the holding deposit).
- A security deposit – equivalent to **five weeks rent** in **cleared funds**. This covers damages or defaults on the part of the tenant during the tenancy.
- Owing to recent global insecurities, proof of identity of all applicants will be required together with proof of identity, i.e. utility bills.

Your deposit is refundable at the end of the tenancy, subject to you complying with the terms of the Tenancy Agreement. The tenant is to be responsible for the Council Tax charge and other utility and service providers, attributable to the property.

Pets: Where domestic pet(s) are accepted by the landlord the rent will be charged at a higher monthly amount. (This does not mean this particular landlord will accept any request for pets).
