

Holding Deposit (per tenancy) – One week’s rent

This is to reserve the property. Please Note: This will be withheld if any relevant person (including any guarantor(s)) withdraw from the tenancy, fail a Right-To-Rent check, provide materially significant false or misleading information, or fail to sign their tenancy agreement (and/or Deed of Guarantee) within 15 calendar days (or other Deadline for Agreement as mutually agreed in writing). The holding deposit is required while we carry our preliminary checks and obtain employer’s reference and credit reference. If the checks and references are satisfactory, no later than on the day the Tenancy Agreement is to be signed, we require the following:-

- (a) One month’s rent in advance in **cleared funds** (less the amount of the holding deposit).
- (b) A security deposit – equivalent to **five weeks rent** in **cleared funds**. This covers damages or defaults on the part of the tenant during the tenancy.
- (c) Owing to recent global insecurities, proof of identity of all applicants will be required together with proof of identity, i.e. utility bills.

Your deposit is refundable at the end of the tenancy, subject to you complying with the terms of the Tenancy Agreement. The tenant is to be responsible for the Council Tax charge and other utility and service providers, attributable to the property.

Pets: Where domestic pet(s) are accepted by the landlord the rent will be charged at a higher monthly amount. (This does not mean this particular landlord will accept any request for pets).

TO LET (Part Furnished)

Lawton Hall, which was for many centuries the country residence of the Lawton family, is an imposing double-fronted mansion, dating partly back from the days of George II. Situated in south-east Cheshire, it stands on a natural terrace 350 feet above sea-level, in the midst of extensive grounds. On the north side lies the well wooded Cheshire Plain, and on the south there is the ridge of the Staffordshire and Cheshire hills.

This beautiful GRADE II listed mansion was renovated by award winning Gleeson Homes in 2002 into only 9 stunning luxury homes. This particular spacious light and airy two storey mews has been elegantly refurbished by the current vendors to a quite exceptional yet understated and tasteful standard, complementing and combining well its origins with high end fittings naturally expected of such a desirable residence.

Its setting is absolutely ‘second to none’, nestled in the midst of glorious Cheshire countryside, within a tranquil and private rural estate (professionally maintained to a meticulous standard) beside acres of woodland and overlooking an extensive lake. Access to the private estate is through automated gates which immediately on passing through produces a feeling of a safe, secure and an ‘away from it all’ environment.

Location wise, its position is excellent for the commuter, only 2 miles from the M6 motorway, 40 minutes drive to Manchester International

Airport and 90 minutes by train to London. Strategically placed, being conveniently situated close to the larger towns of Alsager, Kidsgrove and Congleton where there are a wide range of local shops and amenities.
