STUNNING CONTEMPORARY HOME – FULLY RENOVATED TO AN EXCEPTIONAL STANDARD

A striking, fully renovated home combining modern design with practical luxury. Featuring stylish rendered elevations, high-quality finishes, and a beautifully landscaped plot, this property is a superb example of contemporary living.

The accommodation flows seamlessly from the moment you step through the composite entrance door into the light and spacious L-shaped hallway, complete with oak-effect flooring, recessed lighting, and a deep under-stairs storage cupboard.

The ground floor features a luxurious shower room, fitted with a sleek white suite, walk-in rain shower, and anthracite grey finishes. A large double bedroom with feature wall panelling, illuminated display lighting, and built-in wardrobes provides flexibility for guests or ground-floor living.

A separate utility room with modern charcoal cabinetry adds convenience and style.

At the heart of the home lies the impressive open-plan living, dining, and kitchen space — the perfect area for entertaining. The kitchen showcases elegant charcoal units, solid wood worktops, integrated appliances, and a central island with breakfast bar. The living area is centred around a chic media wall with a contemporary log-effect fire, while French doors flood the space with light and open onto the landscaped rear garden.

A feature staircase with oak newel post and glass balustrade leads to the first floor, where you'll find two beautifully appointed double bedrooms, each with anthracite radiators, bespoke recessed shelving, and ample storage. The family bathroom is finished in a modern palette, featuring a contoured bath with shower over, sleek vanity unit, and stylish grey flooring.

Outside, the property continues to impress. The expansive driveway provides parking for up to six vehicles. To the side, a porcelain-tiled pathway offers level access to the rear, and to the other side is gated access to an area providing useful space for bins and storage.

The rear garden has been thoughtfully landscaped for low maintenance, offering a perfect balance of form and function — porcelain-tiled patios ideal for outdoor dining, an artificial lawn bordered by sunken railway sleepers, and feature grey brick boundary walls with external lighting and power.

Ideally positioned in the sought-after Buglawton area, the home is within walking distance of Congleton Park, the new leisure centre, local shops, and reputable primary schools including Buglawton and Havannah. Nearby countryside and canal-side walks add to the appeal, while easy access to Macclesfield, the M6, and Congleton train station make it perfect for commuters.

Congleton itself offers the best of both worlds—a thriving town centre with shops, cafés, restaurants, and fitness facilities, balanced by beautiful green spaces and access to the Peak District National Park.

This exceptional home is ready to move straight into — offering a rare blend of modern elegance, efficiency, and everyday practicality.
