The Old Brewery is a stunning four bedroom detached cottage, dating back to the 16th century, that has been meticulously refurbished by the current owners and is located in the heart of Dummer. This unique period property oozes charm and is stacked with character features that have been blended seamlessly with modern fixtures and fittings to create a stylish and comfortable living environment.

The property itself is accessed via a gravel driveway enclosed by picturesque flint walls, mature shrubs and with ample space to park multiple cars. Once inside the house you are greeted by a spacious entrance hall and the more you look the more unique period features you notice. As you enter, there is a study to your left, the sitting room is ahead, with log burner and exposed oak beams adding to the ambience, and a further dining room/snug with log burner. The entrance hall also leads into the kitchen and benefits from having a WC and convenient utility room. The kitchen is finished in a charming traditional farmhouse style with a variety of storage units, quartz worktops, Rangemaster cooker, butler sink and plenty of space for a family sized table.

Once on the first floor, the accommodation is equally characterful with 4 bedrooms in total, 3 of which are spacious doubles and there is one single bedroom. The bedrooms are serviced by a family bathroom and a separate shower room. There is also plenty of eaves storage throughout the first floor.

Outside, the enclosed garden continues to impress, with a well presented lawn, a variety of flower-filled borders and mature trees and shrubs providing a haven of peace and tranquility. There is a patio area by the house with plenty of space for a table and chairs, perfect for al fresco dining. To the rear of the garden there is a further lawn with seating area and unrivalled far reaching rural views across fields and woodland.

The property benefits further from a spacious two storey double garage with a large roof space and, for car enthusiasts, the added benefit of an inspection pit. The garage is currently used for storage, a workshop and home gym.

Dummer is a delightful village with a fantastic sense of community, the village benefits from having a church, public house, and a golf course, plus tap room and café in Dummer Down.
