The house is of non-standard construction, and specialist advice will be needed for mortgage purposes. Planning permission was previously granted for a 2 storey extension, although this has now lapsed (SDNP/18/05848/HOUS).

Set behind electric gates, Thornacre is approached via a gravel driveway, with plenty of parking available in front and to the side of the house. The house is entered via a covered porch, with the front door opening to a welcoming entrance hall, from where stairs go up to the first floor. To the left, is the light and airy sitting room, where there is a fireplace with wood-burning stove. On the other side of the hall is the spacious dining room, with attractive bow windows. The kitchen is set behind the dining room, and features a range of built-in storage units and worktops, and a door to the garden. Off the kitchen is a utility room, and boiler cupboard. A cloakroom with shower is accessed from the hall.

From the first floor landing, there are stunning views over fields to the rear. There is access to the large loft via hidden stairs on the landing. All four of the bedrooms are double rooms, with large windows allowing plenty of light to filter through. The family bathroom features a corner bath.

The house sits centrally on the large plot, with sizeable front and rear gardens. There is a sizeable garage to the side of the house, and an outbuilding set in one corner of the garden. The woodland area at the front of the garden enhances the feeling of privacy and seclusion.

Winchester City centre is a short drive offering excellent shopping facilities together with numerous cafés, restaurants and bars. Steeped in history the city has the renowned Cathedral, Great Hall and Guildhall to name but a few of the places of interest. For the commuter the mainline train station is close to the city centre and there are a number of excellent local schools. Road access provides routes to London or the south coast via the M3 motorway as well as the A34 leading to Newbury and the Midlands.
