- Individual Modern House
- Central Alresford Location
- A lot of Usable Space and Good Light
- Wonderful Garage Conversion used as a Studio
- Immaculately Presented Throughout
- No Onward Chain

An individual modern house located right in the centre of the town, just moments from the shops on West Street.

The flow of the accommodation is in some ways similar to that found in a duplex flat, being spread over 2 floors with plenty of usable space and good light filtering through from the south and easterly facing windows. The accommodation comprises an entrance hall, a lovely fitted kitchen with integrated appliances, which is open-plan to a spacious living room. The principal bedroom includes a built-in wardrobe and an en-suite shower room. There is a further bedroom and bathroom on the ground floor. The space is versatile and the current owner utilises the ground floor reception room as a second sitting room, however this space could also be used as a bedroom.

The garage has been converted into a wonderful studio/reception room, with deep built-in cupboards, but it could easily be changed back to a garage, if preferred. The property has been carefully looked after, and is presented in immaculate condition throughout.

Alresford is a beautiful Georgian town known for its variety of independent shops, restaurants and inns located in stunning surroundings on the edge of the South Downs National Park. Attractions include the Watercress steam railway, schools for infant, junior and secondary education, several churches and an active and inclusive community. The cathedral city of Winchester is about 7 miles away and there is easy access to the south coast, the midlands and London via the road network. There is also mainline rail access to London from both Winchester and Alton. Southampton airport is only about half an hour away by car.
