An exceptional single storey barn conversion, set within a small development in a delightful rural location. The Dairy is presented to a very high standard, and has a natural flow to the space, with character features including vaulted ceilings and period-style oak doors. The landscaped garden benefits from being private and secluded, and enjoys an attractive south-westerly aspect over fields. The property sits on a 1/3 acre plot, with two car barns, driveway parking and additional visitor parking. Upper House Farm was a working farm until 1992. In 1997 the farm buildings were turned into a group of distinctive, individual dwellings, set around a central courtyard.

The front door opens to a welcoming dining hall, with flagstone flooring and a vaulted ceiling. A door leads through to the beautiful kitchen, with similar flooring and a vaulted ceiling. The bespoke kitchen cabinetry is by The English Kitchen Company, with a matching island unit and a mixture of fitted and free-standing appliances, included in the sale. Doors open to the central courtyard and garden terrace. The spacious sitting room features a bespoke fitted bookcase, wooden flooring, vaulted ceiling, a wood-burning stove in a brick surround, and bi-fold doors to the garden.

The principal bedroom enjoys views of the garden, and has a vaulted ceiling with exposed timbers. It has its own en-suite bathroom with separate shower, and a dressing room, with fitted wardrobes and a loft hatch and fitted ladder, allowing access to a

storage room above the bathroom. The second bedroom has exposed timbers, and its own en-suite bathroom with a hatch to a loft storage area. The third bedroom includes a useful, bespoke wall storage/shelving unit. Paddle stairs lead up to a mezzanine level above. A modern shower room is located off the dining hall.

Outside, there is gravelled driveway parking by the front door, a covered car barn adjoining the property, and a separate car barn parking area with a lockable storage room. The garden has been landscaped to make the most of its sunny aspect, with a large paved terrace adjoining the rear of the property. The garden is mainly lawned, with a selection of small trees, and low hedging and fencing allowing attractive views over the fields beyond. The working part of the garden includes a vegetable garden with paved paths, a greenhouse, shed and further parking area behind a 5-bar gate.

Woodlands is a tranquil, semi-rural location, set within The South Down National Park, 6 miles from Alresford and 7 miles from Petersfield. The area is surrounded by rolling farmland and downland. The A272, which runs nearby, provides a direct link to the Cathedral city of Winchester which has many excellent amenities including a mainline station to London Waterloo and access on to the M3 north to London or south to the M27 coastal motorway and the ferry ports. To the east, Petersfield has good shopping facilities and access on to the A3. Within a short drive the A272 joins the A32 at the West Meon Hut providing fast access to several towns including Alton, Fareham, Southampton and Portsmouth.
