Moving home can be an exciting time and packing up all your belongings reminds you just how much stuff you actually own and how precious some of it is to you. That's why our Tenants Home Insurance is specially designed to protect you, your household and the contents of your rented home from the risks and responsibilities that can come with being a tenant.

As well as protecting your own belongings, one of the great benefits of our insurance is that we will pay to repair or replace anything in your home belonging to your landlord if you accidentally damage it, including things like the flooring, carpets and curtains. That means you can relax knowing your deposit will remain intact.

We like to keep things simple...

Our insurance policy is also designed to be flexible to suit you. We can insure your belongings from £5,000 up to £75,000, or if you only want to protect your deposit, we can offer tenants liability cover on its own. However if you do need both types of cover we can offer you a loyalty discount, for example:

£10k contents + tenants liability		£10k contents only		Tenants liability only	
Annually	Monthly	Annually	Monthly	Annually	Monthly
£121.82	£11.04	£76.00	£7.17	£76.00	£7.17

Prices quoted include administration fee and Insurance Premium Tax. Monthly payment also includes 8.70% interest (a variable APR, typically 16.9%) subject to a minimum charge of £10.00. Full details will be sent to you in your credit agreement.
