10 Milford Street – Three-Bedroom Semi-Detached Home in the Heart of Mold

Set on a quiet residential street just a short walk from Mold's bustling town centre, 10 Milford Street combines classic charm with thoughtful modern updates. A neat front garden dressed in black shingle leads up a set of steps to the handsome black UPVC entrance door. On-street parking is available immediately outside, and secure side access takes you around to the private rear garden.

Stepping through the front door, you arrive in an inviting hallway laid with warm wood flooring. Under-stair storage keeps belongings neatly stowed away, while a staircase rises to the first floor. To your left, the living room is bathed in natural light from a large front-facing window. Rich wood flooring underfoot and a wood-burning stove set on black-tiled hearth beneath a timber mantle create a wonderfully cozy atmosphere. A simple pendant light and a radiator with cover complete this relaxing family space.

Beyond folding wooden doors lies the open kitchen and dining area, where sleek black floor tiles contrast beautifully with wood wall and base units. Integrated appliances include a fridge-freezer, electric hob and oven beneath a stainless-steel extractor, and plumbing for a dishwasher. Checker-board splashbacks add a playful touch, and a UPVC door with frosted glass opens to the sunlit rear garden. A handy utility room sits just off the kitchen, fitted with matching white units, a worktop, and the Worcester boiler; it also provides access to the downstairs WC, which features tiled floors, a pristine white suite, and a frosted rear window for privacy.

Upstairs, the landing—brightened by a side window—gives access to three generous double bedrooms, each neutrally decorated with carpet underfoot and fitted with radiators and light pendants. The primary suite overlooks the rear garden, while the other two bedrooms enjoy views. A recently renovated family bathroom completes the layout, boasting grey floor tiles with electric underfloor heating, marble-effect wall tiles, a spacious walk-in shower with matte-black fittings, and a floating vanity unit beneath a lighted medicine cabinet.

Outside, the rear garden unfolds over two levels. Concrete steps lead up to a decked seating area, ideal for summer barbecues. Beyond, a straight stone walkway takes you to a neatly kept lawn bordered by two timber garden sheds—perfect for storage or a weekend workshop. This delightful home offers quiet, central living in Mold, ready for its next family to make it their own.
