Blue coloured suite comprising walk in shower cubicle, inset jacuzzi style bath, bidet, two wash basins and WC, combination of mirrored and traditional tiled walls, two radiators.

OUTSIDE

The property stands within grounds and paddock of about 3.17 acre. It is approached via a wide splayed entrance with impressive brick wall and gate pillars with a tarmac drive leading up to the western side of the house. Beyond is a slated area providing very extensive parking for many cars together with access to the two garages to the undercroft. There are lawned areas to either side of the driveway with feature brick walls extending across the full width of the front of the house to provide a terraced garden designed to take full advantage of the far reaching views.

Thereafter, they extend around to the right hand elevation where there is a very large tiled patio with bespoke barbecue

counter and a large shaped swimming pool which has not been used for a number of years. The patios extend around and lead towards an informal lawned area within which is a large octagonal aviary. At a higher level is a further patio which interconnects with the patio window to the lounge and the twin doors from the main upper reception hall. There is a further asphalted area which extends over the garages.

UNDERCROFT

There is a very large undercroft which is integral to the two garages and covered walkway to the rear of the house and extends out and provides an extensive storage area which has potential for conversion for further use. It includes the plant room which is the area which would have interconnected with the swimming pool.
