OUTSIDE

The property stands in a wider than average plot with a dual driveway leading in, both tarmacadamed and providing ample space for parking 2/3 cars. The front garden is designed for low maintenance with gravelled areas together with some mature shrubs and hedging to the boundaries. There is a further stone and slated area adjoining to the front of the house.

Twin gates lead to the right hand side through to an additional gravelled parking area. Timber framed and panelled summerhouse and a flagged patio area extends across the width of the plot. A further private patio area is to the left hand side of the house.

The rear garden is a particular feature of the house as it has benefited from extensive landscaping. It is in terrace form with a low level painted retaining wall with wide steps leading up to a lawned garden with established and well stocked flower and shrub borders together with a further low level wall leading up to a raised decked area, and a golden gravel and paved area which enjoys a predominately westerly aspect.
