

60 Tockholes Road, Darwen

Offers Over £115,000 Chain Free!

A deceptively spacious stone faced mid terrace house situated in this popular residential locality within easy reach of all town centre amenities yet on the fringe of the Darwen countryside. The accommodation briefly comprises; entrance vestibule, entrance hallway, two reception rooms with feature fireplaces, a separate fitted kitchen, the first floor has two bedrooms and a three-piece bathroom. Externally there is a spacious rear yard with access to a ground floor cellar room. Benefits from gas central heating and PVC double-glazed windows. In our opinion the property is ideal for a first time buyer or a rental investor. Viewing is recommended at this realistic asking price.
