We strongly recommend internal inspection to fully appreciate this well presented, tradition stone built garden fronted mid terraced house. It situated in this established and sought after residential area of Bold Venture with street parking and additional parking bays nearby. In our opinion it provides superb family sized living accommodation which is in excellent condition throughout. The accommodation is arranged on three floors and briefly comprises; sitting room, living room/dining room open through to a fully fitted kitchen with white high-gloss units and built in appliances. The first floor provides two bedrooms (one has an en suite shower room) and a impressive family bathroom with shower. From the first floor landing there is a door and a carpeted staircase to a really useful attic room that was previously uses as a third bedroom. Benefits from gas central heating (Boiler new 2023), PVC double-glazed windows, modern internal doors, neutral decor with complimenting flooring. This property is convenient for local amenities including pre-school nurseries, Primary School, walking distance to town centre and the beautiful Bold Venture Park along with moorland trails. In our opinion this is an excellent property representing an ideal family home. Viewing is highly recommended.
