Positioned within the grounds of a distinguished Manor House development, this three bedroom end terraced home enjoys an enviable spot in the heart of Chiseldon, one of Wiltshire's most charming villages. The location offers the best of both worlds: miles of countryside walks right on your doorstep, yet quick links to the M4 and A419 for effortless commuting. From the moment you step inside, the sense of space and light is immediately apparent. The ground floor has been designed with modern lifestyles in mind, a contemporary kitchen and dining area acts as the social center of the home. Just off of the entrance hall sits the well appointed living room providing flexibility with two sets of French doors flowing directly into a generous garden.

Upstairs, the principal bedroom is a true highlight. Complete with its own en-suite and a striking freestanding bath, it offers a boutique feel rarely found in homes of this size. The remaining two bedrooms are equally as versatile. Practicality has not been overlooked, with driveway parking for two or more cars, the reassurance of the remaining NHBC warranty, and the added benefit of no onward chain, this home is ready for its next chapter.
