## DESCRIPTION

A truly unique detached barn conversion situated in a quiet tucked away village location and offering really generous sized accommodation over two levels. If you are looking for something individual with an abundance of character then this impressive natural stone barn conversion, nestled in the heart of the village of Farrington Gurney could be exactly what you have been looking for! As you step through the front door into the entrance hallway (with shoe storage) there is a newly fitted family bathroom with both a bath and a separate large shower enclosure, a personal door into the garage and stairs to the first floor. The living accommodation on the ground floor also comprises two good sized bedrooms (there is a passageway through bedroom two to access further accommodation) and a utility room with a WC. On the first floor there is a spacious lounge/dining room which enjoys plenty of natural light from the large picture windows and Velux windows above and there is also a feature fireplace with log burner, a well fitted kitchen, the main double bedroom and a really useful landing area with eaves storage - which handily doubles as a substantial office space. The property has hard wood double glazing and gas central heating. Externally the property is accessed via a concealed single track serving just the barn itself as well as one other neighbour with a right of access and leading to a double width garage. The location of the property has an extremely private and quiet feel and enjoys a small courtyard style garden, again with a great deal of privacy and is perfect for summer evenings!!
