Imperial Road, Bristol

DESCRIPTION

This charming 1930s semi-detached home is in a sought-after location and features three bedrooms, a tandem garage, and a spacious garden. The entrance porch, with an original stained glass door, leads to a hallway with spindled stairs and built-in storage. The front sitting room has a bay window, while the open-plan kitchen/dining room includes engineered oak flooring, French doors to the garden, and a sleek grey high-gloss kitchen with integrated appliances.

Upstairs are three good-sized bedrooms, with the master offering city views. Outside, there's a gated pathway, driveway, and tandem garage with front and rear access. The large rear garden features a patio and lawn, with extra storage available in the cellar. Conveniently located near the A37, the home has excellent public transport links to Bristol City Centre.
