PERRANTIDE

Perrantide is an exclusive new collection of nine luxury waterfront apartments just a stone's throw from the popular seaside town of Bude, North Cornwall, with commanding views out over the Atlantic Ocean.

With the nearest beach only one hundred metres away with sea and coastal views for 30 miles in both directions, each exceptionally high-specification apartment enjoys a rural aspect while still being very close to town.

These apartments are designed to be homes of the future. Each incorporates eco-friendly technology, sustainability, and security into their innovative design. High performance marine-grade Scandinavian windows and doors fitted with solar control glass, super fibre broadband, a super-airtight, highly energy-efficient design, and two allocated private courtyard parking spaces with provision for electrical vehicle charging are just a taste of their advanced features.

The nearby surfer's paradise of Bude has a good range of conveniences and a choice of independent shops, restaurants, and recreation, yet is small enough to retain its genuine Cornish charm.

It's the impressive design specification though – by award-winning RIBA Architect Van Ellen Sheryn – and uninterrupted, awe-inspiring ocean views that set Perrantide apart. The private terrace balcony of each apartment is the perfect place to enjoy this incredibly sought-after location, set out on fabulous walks along the wonderfully wild coastline, or explore the enviable lifestyle that Bude has to offer.

ABOUT THE DEVELOPER

Marine Drive Ltd, is a developer with over 25 years of history across the construction, residential, commercial, and retail property sectors behind them.

They bring a unique style and impressively high standards to any new home they develop or existing property they convert.

Based in the South-West of England, Marine Drive continues to build a reputation for design-led attention to detail and quality construction across a range of developments throughout the UK.

For this project, this highly experienced developer has partnered with the construction experts who previously delivered prestigious developments such as The Scarlet, Gara Rock, and Tides Reach.

LIVING, KITCHEN AND DINING

Perrantide's apartments are designed for contemporary living, built to a high specification with a focus on comfort, energy efficiency, and performance.

Throughout the generous combined living, kitchen, and dining spaces of each apartment are low-energy lights, most with dimmers, providing mood lighting with low running costs. The high-quality kitchen is complemented by natural stone worktops, Neff integrated appliances, wine fridge and Quooker taps.

The well-lit spaces themselves offer immediate access to each property's private sea view terrace, creating a spacious, airy feel as well as opportunities for entertaining.

With digital and satellite connection points and super fast fibre broadband – the building is wired for CAT6 – as standard, the living spaces of these apartments are the ultimate in modern convenience.

BEDROOMS AND BATHROOMS

The theme of technological and design sophistication continues through the bedrooms and bathrooms of each luxury Perrantide apartment.

Enjoy high-quality wall and floor finishes throughout, including performance acoustic matting to ensure privacy and quiet.

The fittings of each apartment have been carefully considered down to the finest detail, resulting in an eminently comfortable modern luxury that rests on smart technological and architectural choices and materials.

You'll have that low energy dimmable mood lighting throughout here too, making it easy to achieve a warm and cosy feeling or lively brightness as desired.

OUTDOOR SPACES

Perrantide's southerly aspect and elevated position mean the balconies, private gardens offered by every apartment reward you with far-reaching coast and country views.

Perrantide boasts professionally landscaped communal gardens and a communal ground floor external shower perfect for cleaning up after beach visits and muddy walks along the Coast Path.

Each apartment is also equipped with two private parking spaces with car charging infrastructure connection-ready. Each apartment is also rated well in excess of UK Building Regulations in terms of acoustic properties, ensuring you have a quiet and peaceful home at all times.

There is no occupancy restriction on any apartments meaning these fantastic new homes are flexible for use

as main residences, second homes or vacation rentals. Leading property management firm Peninsula Property Management LTD will fully manage Perrantide giving you peace of mind and security 24/7.
