### SUMMARY DESCRIPTION

Colwills are proud to bring 'The Rivers' development to market. There are 4 plots currently available in this development. Plots C1-4 have full planning permission for comfortable 4-bedroomed family homes, in a quiet hamlet in North Devon, on the border of the North Cornwall coastline! Nestled in the heart of the picturesque North Devon village of Derril near Pyworthy, just 8 miles from the rugged North Cornish Coast and the vibrant town of Bude. Plots C1-4 offer good-sized plots, tranquillity and convenience.

There are 4 properties in this development phase - Plots C1-4 - adjacent to each other, offered by Derril Developments Limited.

Derril Developments have Plot A in build currently with planned completion in May 2025, so there is a great opportunity to view the site and talk to the developer and the builder.

Plot B is also available for purchase now – please see separate listing.

Plots C1-4 purchase price includes all services to the property boundary including - Electricity, Fresh and Foul Water, Fibre Broadband and Surface/Rainwater Management.

Full planning has been approved by Torridge District Council under Planning Reference: 1/0728/2024/FUL

There are no S106 costs.

### PLANNED DEVELOPMENT

Plots C1-4 can be built to the design specification shown. A renowned local builder has been commissioned to build Plots C1-4 on a contract basis, once the land has been purchased. A 12-month timeframe to completion is planned from build commencement.

If you choose to proceed with the current planning then project management will be provided by Derril Developments, to meet your precise requirements. The developer is happy to talk over the estimated build costs.

Plots C1-4 are architect designed, exceptional eco-friendly house with full planning and will include all services: Electricity, Fresh and Foul Water, Fibre Broadband and Surface/Rainwater Management.

Plots C1-4 will set the local quality standard with a seamless fusion of traditional charm and contemporary design, offering 165 m2 of living space and a single garage with workshop to the rear.

Crafted to perfection, these state-of-the-art homes will be constructed using cutting-edge low-energy consumption techniques, including Insulated Concrete Form (ICF) walls and A-rated triple/double glazing. The homes will be clad in locally sourced Devon stone slips, traditional Devon white render with grey slate rooves.

Taking sustainability a step further, the property is planned to take full advantage of a KW solar PV system with battery storage, EV charger, and an extensive electrical pack. This ensures that your new home will not only be thermally efficient but also future-proofed against evolving energy needs.

Internally the property is planned to offer: an entrance hall with oak and glass feature staircase, living room with sliding doors, large open plan double aspect kitchen dining family room with bi-fold doors, Kutschenhaus German contemporary handleless kitchen with quartz worktops, island and breakfast bar with integrated Neff appliances and Blanco sink and Blanco Choice instant boiling hot water tap. Ground floor Media Room/Study/Bedroom 5 with dressing room and ensuite shower. Off the kitchen there will be Utility/Boot Room, Services Room, a downstairs toilet and access to the Double Garage. On the first floor there will be four spacious double bedrooms, three bedrooms will have ensuite shower rooms and there will be a separate family bathroom.
