Is this one of Beverley's best kept secrets? Behind a modest front door there is to be found an amazing early Victorian residence, believed to date back to 1834 and Grade II listed to reflect its architectural importance that creates the heart of this historic market town.

It is incredible to believe that a house extending to approximately 1,800 square feet with an incredibly impressive garden stands in the centre of Beverley itself, yet it feels as though you are in the heart of the Yorkshire Wolds countryside.

The well-proportioned accommodation offers living room and study/bedroom, good sized dining kitchen, utility and bathroom at ground floor level, whilst at first floor there are two/three bedrooms along with a shower room and separate WC. The garden is a significant addition to this home, as is the single garage accessed from Well Lane.

This really is a once in a lifetime opportunity to acquire one of the most interesting homes that Beverley has to offer.
