A truly stunning and unique, bespoke property built to the brand new energy efficient Building Regulations. Offering an extremely high level of specification and boasting a fabulously contemporary styled layout, this is most certainly a stand out property in Beverley! Light and bright courtesy of the fabulous design by John Smith Architects the house has a lovely flow. Viewing of this unique property is essential.

#### LOCATION

Situated at the head of Denton Street, this bold development is strikingly different from the period terraced properties typical of Beverley's attractive centre. Nestled between Holme Church Lane and Beverley's historic Becksides, the properties lie in a convenient location just 0.5mi from the Flemingate Shopping centre, 0.8mi from the Railway Station/Town centre and with Beverley's majestic Minster in clear view.

Beverley is the County Town of the East Riding of Yorkshire. Situated 27 miles south-east of York and 15 miles north-west of Kingston Upon Hull, Beverley is a pretty market town with a great deal to offer. Lying conveniently close to the coast (12 mi) and situated at the foot of the rolling Yorkshire Wolds, the town centre has a vibrant mix of shops, bars and restaurants and has something to offer for everyone.
