Property Description

We are pleased to introduce another home for sale on the well-sought-after Green Lane. Different to the usual home, this property comes with an integral garage allowing parking for several vehicles or potential to convert into more living space. Downstairs you have a generously sized entrance hallway leading to the lounge which has a great sunroom looking over the garden. Also off the living room, is the well-configured kitchen which, despite the size, has a great amount of storage and space for all culinary desires. On top of this, you have views again over the garden along with access to the side passage. Once there, from the side passage you do have access to the front garage which conveniently has a toilet fitted. The other direction will take you to the garden which is really maintainable and offers a great spot for summer with it being a sun trap! Upstairs you have a reasonable-sized landing giving access to 3 fairly equal-sized bedrooms along with a separate W/C and a sizeable bathroom. Many in the area with similar styled floor plans, have decided to re-figure the layout to have the toilet together in the bathroom and also getting rid of the airing cupboard giving bedroom 3 and the bathroom a more bigger feeling!

This property is perfect for those happy to put the stamp on their next home or even those looking to move into the area but with a smaller budget! If this sounds of interest to you, then please get in contact ASAP as this will go soon!
