Description

Situated in a cul-de-sac of four similar properties, this three bedroom detached home sits within a large, level plot with great potential to extend (STPP).

Flanked on one side by a large, level front lawn with two plum trees, the driveway offers parking for four cars leading to an up-and-over garage door. The front door is sheltered by a porch and opens into a spacious entrance hallway with stairs to the first floor, plus a useful shower room with a shower enclosure, WC and hand basin. The kitchen, straight ahead, has a range of wooden wall and base units, space for an oven and plumbing for a dishwasher. There is a large storage cupboard and a window overlooking the rear garden. Off from here, the utility offers further wall, base and larder storage units, a Belfast sink and plumbing for a washing machine. A personnel door leads to the garage.

The lounge/diner, spanning over 25 feet in length, is a bright, spacious room. The living area, to the front, has a large window overlooking the front garden. The dining area has easy access into the kitchen, plus patio doors leading to the conservatory enjoying a lovely outlook of the garden.

Upstairs, the property offers three bedrooms - all with very useful fitted wardrobes. There is plenty of storage in this home, with a further fitted cupboard on the landing. The family bathroom finishes the space with a shower over the bath, a WC and a hand basin plus a cupboard housing the hot water cylinder.

Outside, the property is wrapped in glorious gardens. The current owners are keen gardeners, creating this garden into any keen gardener's dream! Two vegetable patches are ready to plant, with two storage sheds and a greenhouse to store everything you need. Believed to be one of the last remaining trees from the original orchard, a Bramley apple tree shelters the side lawn with an abundance of beautiful blossom.
