Nastend, Stonehouse, Glos, GL10 3RS

Asking Price £865,000

NO ONWARD CHAIN. Located to the outskirts of this pretty hamlet lies this handsome, charming and very flexible extended detached family period home, which has been extended in the past and more substantially over the last couple of years by the current owners. The property now boasts comprehensive and very adaptable family accommodation, blending the current day with period living, whilst retaining many character features. To the ground floor: The original sitting room with wood burner set to an Inglenook fireplace, alongside a library and a wonderful extended kitchen dining room overlooking the garden to the rear. There is a utility, boot room, shower room, along with a very flexible games room/study/playroom, bedroom five with ensuite wet room and a further flexible sitting room/even a 6th bedroom if required. To the first floor, a landing leads to 2 double bedrooms and family bathroom with access to the top floor, which again boasts 2 double bedrooms and a WC. A large double garage to the right of the house also boasts a studio above. The house sits in a plot just over 0.5 of an acre. There is driveway parking and a large garden incorporating a formal garden, chicken run, vegetable area and orchard. Note the very good EPC rating of C (75). Heating is by air source heat pump. Viewings by appointment only.

Sellers Comments

Despite the size of the property it costs very little for services: the solar panels and battery storage mean electricity costs next to nothing over the summer, as we also get paid for excess generation. The air source heat pump and underfloor heating in the new extension are really efficient. We have our own drainage field and soakaways, which reduces water costs. We enjoy lots of home grown produce. The polytunnel provides fresh peas from May onwards while the orchard gives an abundance of apples, plums and pears. The semi-rural location gives the best of both worlds - wildlife and flowers in abundance yet easy access to Stonehouse and Stroud. Having Great Oldbury nearby has its advantages in that it's a short walk to bus stops, new primary schools and the other facilities that are currently being built eg recreational facilities. Also it makes it an easy walk into Stonehouse where there is a train station.

Amenities

Nastend is a pretty Hamlet which is just outside Eastington. The property is located to the end of the village amongst countryside walks and along from a small green. There are excellent communications with major routes to principal towns. Eastington is well served with village shops, a public house and a highly respected local primary school. Private education is available at Wycliffe College in Stonehouse and Stroud also retains two excellent grammar schools in addition to comprehensive alternatives nearby. The M5 (J13) is only two mile distant with a typical journey time to Bristol being half an hour by car. Intercity trains to London Paddington are also available.

Directions

Nastend can be easily found along a single track lane off of the A419 just before reaching the Waitrose fuel station roundabout on the right hand side. Turn right at the sign to Nastend and proceed along the lane, bend right with the road, bear left in front of Green Farm and the cottage is the next house on the right.

Sitting Room

Wooden entrance door, 2 double radiator, double glazed window to the front aspect, latch door with staircase, leading to the first floor. Wood burner set to inglenook fireplace, shelved recess, latch door to library, ceiling beams, display shelving.
