## Overview...

Entirely concealed beyond a private and modest approach enveloped in an oasis of serenity lies Little Osmaston; an exquisite example of an expansive six bedroom detached family residence fit for multi-functional living. Perfectly blending high-tech and state-of-the-art assisted living facilities showing immense versatility with staff quarters; combined with conventional areas for families to relax and unwind together in grandeur and comfort. Located in the suburb of Stourbridge in the sought-after area of Norton; discerning buyers have access to nearby Mary Stevens Park and Stourbridge Town, whilst being conveniently positioned within catchment for excellent local schools including OSH and Elmfield Primary. To offer a buyers overview of what to expect; beyond electric double gates leads onto an impressive-size driveway sat adjacent to the property, thoughtfully placed outdoor lighting, vaulted timber storm porch providing one of two entrances and access to oversized double garage. The reception hall and sitting room connect through double doors providing access to both East and West wings and forms the centre of the property. The family living room advocates opulence in its generous size, inglenook fire place with bespoke wood burning stove providing a focal point to the room and has direct access onto the garden. The kitchen diner is flooded with natural light and has a contemporary fit out with an array of built-in appliances, granite countertops and second wood burning stove; there is also a utility and large storage area adding a much needed sense of practicality. In addition, through further double doors leads to a fabulous garden room complete with lantern creating the most perfect space for social gatherings or to get lost in a good book when the weather tells you to stay inside. The property benefits from its very own pool with electric operated cover, tidal and jet enhancements perfect for hydrotherapy, has colour changing wall lights, showers, changing room and bi folding doors leading to the garden. The rest of the downstairs accommodation comprises of a generous size downstairs bedroom with dual aspect, separate living area and sensory room with separate access to the front of the property, individually designed assisted en-suite bathroom and staff quarters made up of kitchenette, utility, home office, shower room and access to inner hall. Completing the property downstairs is a guest cloakroom, various built-in storage housing varying technical infrastructure and plant room. Upstairs is divided into two parts, one side consisting of gallery landing built-up into the eaves providing access to two bedrooms, study, large family bathroom with separate shower and generous eaves storage. On the opposite side of this substantial family home showcases a secondary gallery landing, bedroom with walk-in dressing area, eaves storage and en suite and two further bedrooms, one comprising of its very own suite with versatile study space or chill-out area, bedroom and en suite bathroom. The rear garden is just as impressive as the property itself, being beautifully maintained and thoughtfully laid-out it spans the full width of the plot and boasts five separate points of access from the property creating a seamless in-door-out-door living. There are a variety of seating areas including pergola, tranquil sensory garden with water feature, space for large climbing frame and a variety of planted shrub borders and trees promoting its naturally private haven. This fabulous property is far more than just a home, it's an advocate of complete versatility favouring a healthy and improved lifestyle for all to relish and enjoy together; properties like this are a genuine rare find and some may say an opportunity not to be missed.
