FOR SALE exclusively through
Camerons Stiff is this
meticulously designed
detached family home,
offering a GIA of 3,452 sq ft.
Situated in a commanding
position on one of the most
sought-after roads in the
coveted Mapesbury
Conservation Area, the house
offers a rare opportunity to
acquire a truly stunning
property in an enviable
location.

Upon entering, it becomes immediately apparent that the current owners have undertaken a stringent interior and architectural design consideration. The house boasts a bold and contemporary aesthetic throughout. This aesthetic, coupled with a pragmatic internal configuration, has resulted in a family-orientated, airy and sociable house that's absolutely not to be missed.

The Ground Floor is constituted around a main entrance hallway, off of which all the rooms are accessible. To the left of the entrance hallway, there is a sizeable reception room that utilises moody hues to create a

distinctly cosy environment. To the right, there's a home office. The rear is particularly impressive and has been cleverly designed to partition the kitchen and the reception room, whilst ensuring these two areas are cohesive through a shared area at the rear. The kitchen has been fitted to an outstanding specification. A 94ft astro-turfed garden is accessible via bi-folding doors.

The upper floors offer six double bedrooms, two of which are ensuite. The principal bedroom is located on the first floor at the front and features a large ensuite bathroom with a stand-alone tub and double vanities. There is also an abundance of eaves storage on the Second Floor.
