INTRODUCTION

This detached family home was built to an individual design in the late 1960's and has only had two owners since new. The generously proportioned accommodation extends to around 1,400 sq ft and is complemented by well tended gardens, driveway and garage. The accommodation is depicted on the attached floorplan and briefly comprises an entrance hall, modern cloaks/W.C., dining room, spacious lounge extending to 25ft, garden room and fitted kitchen. Upon the first floor are three double bedrooms and a modern shower room. The property has the benefit of majority double glazing (secondary glazing in the garden room) and gas central heating.

A lawned garden with low brick wall boundary extends to the front and a block paved driveway provides good parking and leads onwards to the garage with automated up and over door. The attractive rear garden enjoys a westerly aspect with lawn, mature shrubs and a patio area. There is a green house and a summerhouse.
