This particular apartment has its own internal entrance lobby with cupboard plus hallway, two bedrooms and a stylish bathroom. The living accommodation includes a beautiful living room with deep bay window looking south affording views across the roof tops and towards the River Humber. The open plan kitchen has a range of sleek fitted units, quartz work surfaces and a host integrated appliances. Double glazing is installed plus gas fired central heating which is served by a modern combination boiler. The property has two designated parking bays to the front of the building which itself is accessed via a security intercom system. The property is ideally placed for the nearby railway station and Bough's range of amenities.

LOCATION

Grassdale House stands proudly along Grassdale Park, a small residential cul-de-sac situated off Station Road within the older area of Brough village. The location is therefore extremely convenient for many amenities including the nearby mainline railway station, public houses, restaurants, recreation facilities and much, much more. Brough is a growing community and provides a good range of local shops including several supermarkets, post office, general amenities and a primary school. Secondary schooling is located at the nearby South Hunsley School at Melton. This developing village lies approximately 10 miles to the west of Hull and is ideal for the commuter with convenient access to the A63 leading into Hull City Centre to the east and the national motorway network to the west. The nearby railway station provides access to Leeds, Manchester and London Kings Cross which is approximately 2.5 hours time away. The area is also ideal for walking and cycling with a Wolds on the doorstep and river walks along the Humber. Brough is also home to a delightful parkland golf course.
