INTRODUCTION

Hall Garth is an individual detached bungalow which stands in a good sized plot of around 0.2 acre. Currently the accommodation affords 3 bedrooms but there is scope to extend, subject to appropriate permissions, given the size of the land and location. Features include an attractive lounge, dining room, breakfast kitchen, utility, 3 bedrooms and a bathroom. The accommodation has the benefit of gas fired central heating to radiators and uPVC double glazing. The gardens are mainly lawned and a driveway gives access to the double garage. The property lies at the end of the eastern section of Dale Road, a 'no through' road and is adjacent to the A63. Dale Road is the gateway to the beautiful Elloughton Dale with its many stunning walks and views, in addition to which, pedestrian access to the village centre is across a nearby footbridge.

LOCATION

Elloughton lies approximately 13 miles to the west of Hull and has a number of shops and amenities plus a well reputed primary school. The property lies within the South Hunsley secondary school catchment area. More extensive facilities are to be found in the neighbouring village of Brough and there are excellent rail and road connections with convenient access available to the A63/M62 motorway network and a mainline railway station at Brough which provides regular intercity connections to London's Kings Cross.
