This attractive bay fronted three bedroomed semi detached house is beautifully appointed and enjoys a lovely garden to the rear. Built in the 1930s, the property has been sympathetically renovated over recent years by the current owners. It blends character with modern day living to create a great family home. The accommodation is depicted on the attached floor plan and briefly comprises a welcoming entrance hall with feature tiled floor and staircase leading to the first floor. There is a downstairs cloaks/WC, a formal lounge with multifuel stove and bay window to the front, a well fitted 21ft kitchen with range cooker and adjoining dining/living room with multifuel stove and double doors to outside decked area. At first floor level, there are three double bedrooms and a family bathroom with shower cubicle. The accommodation has the benefit of gas fired central heating to radiators and uPVC double glazed windows. Outside a driveway provides off-street parking. There is gated access to the side and rear of the property. The front garden has a variety of mature shrubs and ornamental posts. The secluded and well tended rear garden has been transformed over recent years to create many areas of interest with raised decked terrace directly adjoining the rear of the property, a seated area with lawned garden beyond with established raised borders incorporating a variety of trees, mature shrubs and planting in addition to a summerhouse, gym/office, garden shed, large store (formerly a single garage), further sheds/storage and a particular useful outdoor shower facility - ideal for those with pets or those who enjoy outdoor activities/sports. All in all, a great family home which is not to be missed!
