INTRODUCTION

Barn House is a substantial individual detached property providing a fabulous range of accommodation which extends to around 3,600 sq.ft. across 3 floors. Ideal for a family with space, versatility and practicality, this lovely home stands in a prime location, just off West Leys Road, within which many consider to be the most sought after village in the area. The extensive accommodation can only be truly appreciated by an internal inspection although the layout is depicted on the attached plan and includes four reception rooms, dining kitchen, six bedrooms and four bath/shower rooms. The main living room features a superb large log burning stove set within an inglenook style fireplace. The double garage has been part converted for the current owners use into occasional work space. This could readily be converted back by an incoming purchaser. The property enjoys a commanding position looking west and has gardens wrapping around the house being mainly laid to lawn. A gated entrance from West Wold provides access to the parking forecourt and garage.

LOCATION

West Wold comprises a number of individually designed properties and leads beyond to a more recent high quality residential development. Swanland has an attractive centre where a number of shops can be found including a butchers, chemist and convenience store/Post Office. There are a number of amenities and recreational facilities such as a Tennis and Bowls Club and children's playing field. The village also has a well reputed junior/primary school with secondary schooling at the nearby South Hunsley school. A number of public schools are also available. Convenient access to the A63 leads to Hull City Centre to the east and the national motorway network to the west. A mainline railway station lies approximately 15 mins driving distance away in Brough which provides intercity connections.
