INTRODUCTION

Offering an abundance of space, versatility and giving so much further potential, this individual detached property has everything a growing family could desire. Standing in a lovely plot of approximately 1/3 of an acre with mature gardens to the front and rear, the property has accommodation providing bedrooms to both ground and first floor levels together with excellent living spaces and is depicted on the attached floorplan. Overall the accommodation extends to around 2,700sq.ft. with features including an amazing living room measuring 33'7" x 18'5" approx., which is in addition to a formal lounge and a dining kitchen. In total there could be up to 6 bedrooms, three upstairs with vaulted ceilings and three downstairs, or alternatively used as the current owners have, as additional reception rooms. The light and airy accommodation is complimented by gas fired central heating and uPVC double glazing. Outside an approach driveway provides plenty of parking and access to the attached double garage. Sunny areas are available around the garden with lawns combining with patio areas. Shade is also available via a number of mature trees.

In the agents opinion, given the location, size of plot and design of property, there is further potential to extend and remodel, subject to appropriate planning permissions, to create a larger home of significant value.

LOCATION

The exclusive cul-de-sac of Woodlands Rise is situated to the eastern side of Woodgates Lane which is home to a number of North Ferriby's most distinctive properties. Woodgates Lane runs out of the village from High Street to the south and can also be approached from Mill Road, Swanland from the north. North Ferriby lies approximately 9 miles to the west of Hull and offers a good range of local shops and amenities including a convenience store, doctor's surgery, coffee shop, busy public house/eatery, takeaway, beauty salon and newsagent. There are a number of amenities and recreational facilities plus a well reputed primary school with secondary schooling at nearby South Hunsley School. The area is also well served by public schooling at Tranby, Hymers and Pocklington. The village also boasts a railway station which can be found a short walk away and convenient access is available to the A63 leading into Hull city centre to the east, the Humber Bridge or the national motorway network to the west.
