Description.

ONE OF A KIND - Built in 1832 this well maintained cottage has a wealth of history, originally a pair of cottages for a working farm, now an end of terrace cottage with a surprisingly large plot and the added benefit of a detached annex.

Milford Cottage is a well loved family home and comprises entrance hall, cloakroom, sitting room, kitchen/dining room, three double bedrooms and a shower room. Cwtch (the annex) was originally the farms outside washrooms and coal shed has been converted into a lovely annex which generates £750.00 per month rental income, comprises living room/kitchen, bedroom area and wet room. Outside, unusually for Russell Road there is lots of off road parking along with a south facing garden which measures approx 55' x 60' which offers several sitting areas and low maintenance beds. The rear façade of the house was originally the front of the property - before Russell Road was built. The special family home must be viewed to be appreciated.
