

Black Wood, Wynyard, TS22 5GQ

A high calibre family home offering 3,142 sq ft of quality living space and set on a prime 0.3 acre cul-de-sac plot within Wynyard's highly desirable Black Wood development. This impressive home was originally built with five bedrooms but currently configured as four, now enhanced by a dressing room to the principal suite as just one example of the long list of upgrades.

The property is set back from the quiet cul-de-sac and is approached via a brick pillared entrance to its substantial drive, with electric charging point. There is lots of parking and easy turning space, plus a detached triple garage. The porticoed entrance welcomes you into a spacious reception hallway with tiled flooring which continues through much of the ground floor, and with a white spindled staircase turning up to the first-floor landing. There are three reception rooms, one of which flows through to the kitchen creating an open plan layout to the rear of the ground floor and undoubtedly being the family hub of the home. The impressively fitted kitchen features a range cooker and Belfast sink. A bright garden room style dining area continues the open plan theme at the rear, where it enjoys a wonderful outlook onto the rear garden. The hallway gives access to a large cloaks/WC.

As you head up the staircase, you arrive onto the huge first floor landing with its own snug seating area to the front. The landing gives access to four large double bedrooms and the family bathroom, with bath and separate shower. The luxurious principal bedroom suite to the rear of the house is large and well proportioned, with a large en-suite with both bath and shower plus a dressing room with fitted wardrobes. Bedroom 2 also features an en-suite shower room. The property has a dual zone gas central heating system but it is the rare bonus of air-conditioning to all four bedrooms that will be appreciated during the warmer months
