The property would ideally suit someone needing separate accommodation for a relative with room for fourth bedroom or study. The garage lends itself to be converted into an additional room, subject to planning permission. The extended ground portion has underfloor heating and the remainder of the house benefits from gas-fired central heating and double glazing throughout. The gardens are beautifully maintained and are a feature of the property.

The property is set on the outskirts of the popular Wealden village of Staplehurst with its range of local amenities including post office, Sainsburys supermarket, primary school and mainline station providing commuter services to London Charing Cross, Waterloo, London Bridge and Cannon Street (approximately 55 minutes). The County town of Maidstone is approximately 9 miles away providing a wider range of both shopping and leisure facilities. The property falls within the Cranbrook School catchment area.
