## **DESCRIPTION**

Beautifully refurbished and extended some years ago, the property offers well-planned family living accommodation. One of the features is the downstairs study/potential 5<sup>th</sup> bedroom with ensuite facilities. In addition, the former garage is brick built and, subject to planning, could become an annex/office independently of the main house. The house is beautifully presented throughout and we recommend an internal inspection as soon as possible.

The property is set on the outskirts of the popular Wealden village of Staplehurst with its range of local amenities including post office, Sainsburys supermarket, primary school and mainline station providing commuter services to London Charing Cross, Waterloo, London Bridge and Cannon Street (approximately 55 minutes). The County town of Maidstone is approximately 9 miles away providing a wider range of both shopping and leisure facilities. The property falls within the Cranbrook School catchment area.
