DESCRIPTION

A thorough and professional refurbishment of an older Edwardian village house. Refurbished to a very high standard. New quality luxury kitchen and downstairs cloakroom has been added together with a newly refitted bathroom. The electrics and plumbing have all been updated. New replacement double glazing throughout. New fitted carpeting. Externally the property has been redecorated and new gutters and downpipes as necessary. The front garden has been opened up to provide a quality paved car parking area suitable for at least three cars with side access through to the rear garden. Another feature is the huge rear garden which is well maintained and secluded. An internal inspection is highly recommended.

The property is set in the popular Wealden village of Marden with its range of local shopping facilities including village stores, butchers, bakers, post office, petrol station and shop. There is an excellent primary school in the village and the mainline station offers commuter services to London Charing Cross and Cannon Street (approximately 50 minutes). The County Town of Maidstone is approximately 8 miles away providing a wider range of both leisure and shopping facilities.
