Set within the highly regarded village of Preston is this spacious semi-detached property offering a wealth of development potential. Accommodation includes a living room, dining room, breakfast kitchen, downstairs W.C., three good-sized bedrooms, and a family bathroom. The property has full planning permission for a detached double garage & garden room and this also has its own private road for separate access. The property itself requires some modernisation but combined with outside development potential this offers a fantastic opportunity for the next owner.

As you enter the property, the entrance hall gives access to the dining room, living room, and a staircase to the first floor. The living room and dining room both sit to the front of the property and offer views out to the street scene. To the rear of the property sits a good-sized breakfast kitchen fitted with a range of floor-to-wall units, this leads to the rear porch area giving access to the coal shed, downstairs W.C., and rear garden. Upstairs the landing gives access to the three bedrooms and the family bathroom. Bedrooms one & two sit to the front of the property and bedroom three and the family bathroom sit to the rear.

Externally the front of the property is laid to lawn with a low level wall to the front boundary. To the rear the property offers a well-kept large rear garden that is mainly laid to lawn. This leads down to a separate area that offers a detached garage. This part has its own private access road that leads out to Glaston Road. Planning permission has been granted to build a double garage & garden room to replace the current garage.
