Presented in immaculate condition throughout, is this four-bedroom detached family home, situated in the popular village of Whissendine. The accommodation includes four reception rooms, a kitchen breakfast room, downstairs W.C., four bedrooms with an en-suite to the master, and a family bathroom. The property oozes with eclectic charm and offers stylish family living in the heart of Rutland. We would advise an internal viewing at the earliest opportunity!

Entering via the front door leads to a porch area that gives access to the downstairs W.C. and a door to the main entrance hall. From the entrance hall, there are doors to the lounge that offer dual aspect windows and a feature inset log burner, the study/family room provides views out to the rear garden, and the formal dining room with its feature bay window. Accessed via the dining room is the kitchen, with a range of floor-to-wall units and a view out to the rear garden. A hallway from the dining room gives access to the garden room that features a contemporary style multi-fuel burner, kitchenette with space and plumbing for a washing machine and tumble dryer, and dual-aspect sliding doors to the rear garden. The double garage is also accessed via this hallway.

Upstairs the master bedroom sits to the front of the property and offers an en-suite, built-in wardrobe, and views to the front aspect. Bedrooms two, three, and four sit at the rear of the property, with bedrooms two & four featuring built-in wardrobes. The stunning family bathroom features a freestanding oval bath, a cylindrical free-standing wash hand basin, a range of built-in units, a Bluetooth mirror, and a contemporary-style vertical radiator. This completes the upstairs accommodation.

Externally the property sits on a corner plot and offers a large sweeping newly laid driveway with inset lighting and external power sockets. This leads to the double garage that features a newly installed electric door. To the rear is a large established enclosed rear garden that has a section of artificial grass that has been partitioned off from the main garden. The main section of the garden is laid to lawn with borders of plants and shrubs and features a pond.
