Typical View from Upstairs

Front Garden

Accessed via a wrought iron picket gate with stone steps with a wooden handle rail leading to the main section of garden. Either side of these steps are well established flower, shrub and tree tiered levels, each broken up by original stone walls. On each level there is a seating space. A central path with lawns either side lead you to the front door. The lawns have beautiful, well established flower, shrub and tree borders. The lawn sweeps round the side of the property to the rear garden..

Rear Garden

The rear garden has a large expanse of lawn enclosed by original stone walls with well established flower, shrub and tree borders. There are several sheds for storage (five in total), with a pergola sat between two sheds. Sat in an Area of Outstanding Natural Beauty, these delightful and tranquil gardens are simply breathtaking with the most outstanding views of The Mendip Hills, Crook Peak and fields. There are many seating areas to be able to sit peacefully and take it all in.

Drone Shots

Total area: approx. 139.2 sq. metres (1498.1 sq. feet)
