Seller Insight

We were initially drawn to this home by its architectural merit and quiet location. Despite its tranquil setting, the house is extremely convenient to local facilities and only a 15-minute drive from the M5 motorway connection. The combination of historical charm and practical convenience made it the perfect choice for us.

Living in this home has been a unique and tranquil experience. We love the peace and quiet it offers, along with direct access to public footpaths. Dog walking is a pleasure here, with no public highways to worry about, making every walk a serene and enjoyable experience.

This property stands out for its unique historical features. Dating back to 1182, nearly every room boasts timber beams that add to its charm. Externally, the property features ponds, waterfalls, and the remains of an ancient moat, enhancing its inviting and distinctive character. The house is spacious, yet no single room feels overly large. The practical layout ensures comfort and functionality for day-to-day living. The flow between rooms is seamless, making the home easy to navigate and live in.

We have made several personalisations to the home, including installing two additional ensuite bathrooms and enlarging the kitchen area to create a spacious kitchen and dining area. These upgrades have enhanced the comfort and usability of the home. The dining room is one of our favourite spots. It's a particularly lovely room that has been wonderful for hosting family Christmas parties. The ambiance and warmth of the space make it perfect for gatherings.

The rear of the property faces south, ensuring that all principal rooms benefit from natural light throughout the day. Windows and French doors overlook the gardens, taking full advantage of the southerly aspect and creating a bright, inviting ambiance. The large rear terrace, swimming pool with a thatched summerhouse, and entertainment area are perfect for relaxation and socialising. We also created a small garden room adjacent to the waterfall and pond, providing a wonderful place to unwind at the end of the day.

We have hosted numerous memorable events, including 21st and 60th birthday parties. The rear lawn accommodates marquees, and there is plenty of car parking for guests in the orchard. These gatherings have been some of our fondest memories in the home.

Over the past 25 years, we have continuously upgraded and modernised the property. This includes forming two ponds utilising the remains of the ancient moat, installing waterfalls, extensive landscaping, creating an organic vegetable garden, and adding a fruit cage in the orchard.

The property is located in the parish of Hanbury, which boasts an active church, village hall, cricket club, and village pub. A monthly parish magazine keeps residents informed about local activities. Droitwich Rugby Club and the canal marina with a walkway into Droitwich town centre are just two miles away, adding to the sense of community. We particularly enjoy walking with our dogs and find horse riding very popular in the local area. The proximity to various sports and recreational activities enhances our active lifestyle.

The property's location is one of its greatest assets. Despite being quiet and secluded, it offers easy access to shopping facilities in Droitwich, Bromsgrove, and Worcester. Droitwich railway station provides speedy access to Birmingham and Worcester. Junction 5 of the M5 is within 15 minutes, offering easy access to Birmingham International Airport and railway station. Additionally, there are excellent schools in both Bromsgrove and Worcester, making it an ideal place for families.

We have extremely good neighbours and have met many friends both in the immediate vicinity and in the village of Hanbury. The sense of community is strong and supportive, making it a pleasant place to live.

*This home, with its unique historical charm, modern comforts, and tranquil setting, has been a perfect sanctuary for our family. It offers a blend of peaceful living and convenient access to amenities, making it an exceptional place to call home.**
