1 Bridge Cottage Sea Dyke
Way
Marshchapel
DN36 5TZ

£225,000

This unique semi detached cottage lies in a fantastic semi rural position on the edge of the village of Marshchapel. Offered for sale with NO FORWARD CHAIN, the property offers fantastic scope and potential for further improvement and development. Standing in a lovely mature plot to both front and rear, there is a huge detached garage/ workshop which can be used for a variety of purposes. In addition to this, there are two large car ports as well as a timber store and metal storage container. We believe there is potential for the garage to be converted into a separate dwelling, subject to planning consents being granted. Internal living accommodation of the house itself is comprised of : Hallway, lounge with wood burning stove, modern fitted kitchen, shower room, utility room/ rear porch, two good sized bedrooms and loft area with scope to extend. The property does benefit from full uPVC double glazing and the water and heating are controlled by the wood burning stove which was installed in 2009 by the late owner.
