Leasehold Business Sale / Price: OIRO £30,000 / Tel: 01702 207720 or 01245 210227

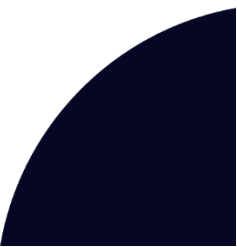

This is a great business opportunity for clients looking to buy a long-established general store and hardware business trading from a main road position with significant passing footfall. The business has been established over many years building a fantastic local reputation for a wide range of competitively priced products. We expect new dynamic owner may wish to consider introducing other services and product lines to take advantage of the currently unused retail space available at the rear of the shop. The business is closed on Thursday's and Sunday's with opening times of 8:30am - 4:00pm on trading days. Our client is only selling the business due to his impending retirement.

Profitable accounts are available to confirm an already healthy turnover but a new owner with fresh ideas would expect to build on that steady income to create even higher profit figures. Why not book an appointment to look inside and discuss buying the business.
