

Are You a Company That Requires up to 3,000 sqft of Storage & Distribution Space That Will Guarantee to Save You Thousands of Pounds Over The Next Year?

How much has your current premises been costing you (and for how long)?

If you are tired of paying out a fortune in rent, business rates, utility costs and repair & maintenance charges that are seriously eating away at your profit margins, then you should really come and see us.

Here at The Storage Team, we are proud to be the "go to" company for easy in / easy out business space, giving our customers complete peace of mind whilst at the same time saving them a fortune.

Here is what we will give you:

- Immaculately clean premises that are ready for occupation immediately;
- No other extra costs to burden your business with – NO Business Rates, No Utility Charges, No Service Charge, No Repair Bills, No Legal Fees;
- Flexible terms
- Just one all inclusive cost on a four weekly invoice so you can concentrate on dealing with the important things in your business;
- Plentiful FREE parking for your staff and customers;
- Fantastic access to the motorway network (just 1 min from M62)

If you think that saving money is a priority for your business, then please call NOW

01744 811 822 or
e: info@thestorageteam.co.uk
 and ask for Antony or Daniel

This space is ideal for a company:

- Not requiring high roof space and coming to the end of its lease and looking to reduce costs;
- Wishing to set up a cost effective workspace in the North West;
- Starting up in business and requiring storage & distribution.
