An elegant 1930s period home with exceptional accommodation including extended kitchen diner family room that will only impress – Conygre is a charming four bedroom family home, extended by the current owners, creating modern open plan accommodation whilst retaining the period charm of a 30's residence. Although the current owners have fully refurbished the property, there is still the potential to extend further, either to the side, rear or into the insulated loft room.

Accessed via the spacious entrance hall with oak doors to all principal rooms, the ground floor enjoys a plethora of light and airy living accommodation, with a formal sitting room to the front, with its enclosed log burning fire and half bay window. The property's crowning jewel is its exceptional open plan kitchen diner family room which has been extended by the current owners. This wonderful social environment is ideal for entertaining throughout the year with its bright orangery style skylights and a further enclosed log burning fire. Bedroom 4 enjoys a modern ensuite, enabling a high degree of versatility with a double bedroom to the ground floor, providing the ability for single level living. Further ground floor accommodation includes cloakroom wc. The first floor benefits from three further bedrooms and a family bathroom.

Outside you enjoy a substantial private rear garden, predominantly laid to a lawn with decked and slate patio seating areas, ideal for enjoying the sunshine during the summer evenings. The well stocked borders enjoy a variety of established shrubs and trees plus veg patch for those green fingered gardeners. The front is laid to stone providing off street parking for numerous vehicles with electric vehicle charging point.
