An exquisite individually built property with beautiful views and private annex - This exceptional detached home was constructed by the current owners in 2007 and has been built to the highest standard with only top quality fixtures throughout. As you explore this fabulous residence you really appreciate the time invested to make such a flexible and user friendly layout. The main residence is accessed via the entrance hall which is a spacious and welcoming area that leads to all rooms. The large sitting room benefits from the cosy log burning fire and a wall of full height southerly facing windows making this a fantastic light room, a spiral staircase leads up to a mezzanine room which provides real flexibility with options to be used as either a playroom, study or second sitting room. The kitchen diner is a wonderful social space with an exceptionally high quality oak kitchen and granite work surfaces, again this is a superb light and airy room with a triple aspect. The ground floor also accommodates four double bedrooms, principal with en suite and feature beamed ceilings, and family bathroom with four piece suite.

The annex is a terrific space that provides enormous flexibility and would be brilliant for those who have dependent relatives. The annex would also work well for anyone who wanted to utilise a holiday let or rental and create an additional income. With its own private entrance which leads to a neat open plan kitchen diner/lounge, double bedroom with fitted furniture and en suite shower room.

When you are sat in the gardens you have a wonderful feeling of tranquillity with the fantastic outlook over the Cleeve countryside. The garden is a pretty lawned area with a beautiful range of plants and shrubs. A large area is also laid to deck, a charming relaxing environment to enjoy this peaceful setting. Off street parking is provided to the front of the property with more than enough space for five or six vehicles.
