Exquisite family home backing onto fields within the popular rural village of Kingston Seymour. 2 Hope Cottages is a stunning property that was constructed in 2004, and is one of just 5 sympathetically designed one-off houses, enabling these homes to seamlessly fit into the pretty village surroundings, providing all the benefits of a modern home while enjoying the charm of a farmhouse style property. The internal accommodation is traditionally laid out over two floors and bathed in natural light. A handy storm porch opens into a welcoming and spacious entrance hall and leads to all principal rooms. The sitting room enjoys a wonderful dual aspect with French-style doors to the rear garden and affording views of the fields beyond. This room also features a charming log-burning stove making it warm and cosy during those winter months. A formal dining room is adjacent and also provides views to the rear, but could also be utilised as a playroom or what you desire to fulfill your family's needs. The kitchen breakfast room has been finished to an exceptional standard, with high gloss units, integral appliances, quartz worksurface, and a middle island with seating around for sociable entertaining and the family to spend time together. This social hub offers enough space for a sofa to relax, along with Bi-fold doors that provide access to a porcelain tiled patio area, truly bringing the outside in. A further courtesy door from the kitchen offers access to the rear garden. A study to the front and a cloakroom are also all to the ground floor. From the hallway, a solid oak staircase rises to an open and airy landing, with doors to four generous sized bedrooms, family bathroom and additional shower room. The principal bedroom boasts a beautifully finished en-suite shower room and completes the internal accommodation on offer.

Outside the property has a pleasant front aspect with planted beds offering an array of flowers and shrubs. A detached stone double garage is located to the side along with the off street parking, a secure gate to the side provides access into the rear garden. This has been beautifully landscaped with a wide variety of flowers and mature shrubs, a further patio area gives ample space for entertaining, or just to relax and enjoy the atmosphere of being out in the countryside listening to the local wildlife. A further "secret" garden behind the garage offers more space for a possible vegetable plot, greenhouse or specimen plants, maybe a secret garden for the children to let their imagination run wild without encroaching into the main garden area.
