An elegant 1940s semi-detached four-bedroom family home situated within the highly regarded, rural village of Wrington, offering extended accommodation and offered to the market with no onward chain. The Briars sits in a generous plot and offers the potential of further development (subject to the relevant permissions) and has already been extended to the rear, creating a fourth bedroom and en-suite shower room, enabling one-floor living if required and therefore making the accommodation on offer very flexible. The property has been lovingly presented throughout and is accessed via an entrance hall that opens to the principal rooms. A private sitting room is situated at the front with a dual aspect dining room to the rear, which in turn opens to the modern kitchen and utility. The extension houses a double bedroom and an en-suite shower room, all to the ground floor. To the first floor, you will find three further bedrooms, two of which are generous doubles with built-in storage and a family bathroom.

Outside the garden is separated into two sections. One is accessed from the kitchen and laid to patio, creating a private spot to unwind and enjoy a BBQ or two. To the other side of the detached single garage and driveway is a large area laid to lawn that is bordered by mature hedges and shrubs to the rear, making it an ideal place for children to burn off excess energy, kick a ball around, or even have a garden party with friends and family. The width of the plot also lends itself to further development of this wonderful property, future-proofing it for growing families.

Cox's Green is located on the edge of the rural village of Wrington, just a short walk from the village centre offering a brilliant selection of amenities include cosy public houses, post office, cafe and popular village school. Although Wrington is surrounded by countryside there are some excellent transport links being a short drive from Junction 21 of the M5 and the A370 going into Bristol and Weston Super Mare. You also have great links by rail and air with Yatton's mainline railway station and Bristol international airport only a short distance away.

Beautiful 1940s semi-detached family home, situated within the rural village of Wroughton
